Transportation Alternatives Program Manager
Arizona Department of Transportation
1611 W. Jackson Street
Phoenix, AZ 85007

Dear Ms. Mariolle:

I am writing on behalf of the ADOT Greater Arizona Transportation Alternatives (TA) Program Technical Advisory Committee (TAC) to transmit our recommendation for funding the first slate of TA projects.

These projects are distributed throughout the state and consist of a variety of project types including: sidewalk, ADA and bike lane improvements; multi-use paths; historic preservation; scenic and recreational trails, and Safe Routes to School studies and programs.

The TAC arrived at our recommendation through a competitive process of independent scoring using a new and innovative web-based platform. Scores were based on five weighted criteria: 1) Technical Quality of Scope; 2) Project Schedule; 3) Community Support; 4) Plan Alignment; and 5) Equity. We met on Wednesday, October 25, 2023 to review the results of our scoring and to make our recommendation to ADOT. Our list of recommended projects is attached.

The TAC consisted of voting members from all of the Greater Arizona COGs and MPOs and the Inter-Tribal Council of Arizona, with non-voting advisory members from Arizona State Parks & Trails, Federal Highway Administration, Pinnacle Prevention (representing non-profits), the Maricopa Association of Governments and the Pima Association of Governments.

Funding these Transportation Alternatives projects will encourage safer and more enjoyable active transportation options for Arizonans throughout the state. Thank you for your consideration.

Respectfully submitted,

Irene Higgs, Chair, Transportation Alternatives Technical Advisory Committee
Executive Director, Sun Corridor Metropolitan Planning Organization
